Notes for STEPHEN COLLIN FOSTER:

Stephen Foster died in Bellevue Hospital in New York City on Jan 13, 1864. In his biography; My Brother Stephen, Morrison Foster describes his death as follows, "In January 1864, while at the American Hotel, he was taken with ague and fever. After two or three days he arose, and while washing himself fainted and fell across the wash basin, which broke and cut a gash in his neck and face. He lay there insensible and bleeding until discovered by the chambermaid who was bring the towel he had asked for to the room. She called for assistance and he was placed in bed again. On recovering his senses he asked that he be sent to a hospital. Accordingly, he4 was taken to Bellevue Hospital. He was so much weakened by fever and loss of blood that he did not rally. On 13th of January he died peacefully and quietly..."

Stephen Foster was born in a "White Cottage" located at 3600 Penn Ave in what is now the Lawrenceville section of Pittsburgh. The original house is no longer standing, but a historical marker is at the site.

Foster wrote 286 works in less than 20 years: 156 songs with piano accompaniment, 27 hymns, 5 piano pieces, 74 instrumental works and arrangements, 19 re-settings of his songs for guitar accompaniment, 2 translations (from French and German), and 3 new lyrics to pre-existing melodies.

Was Stephen Foster an alcoholic? Opinions vary as to what role alcohol played in Foster's life. While he did drink, he was not the mythic bum in a Bowery gutter some have portrayed him to be nor did he drink himself to death.

Was Stephen Foster from the South? No. Stephen Foster spent the majority of his adult life in Pittsburgh, PA. As a child he visited Ohio and Augusta, Kentucky, and he attended boarding school in Northern Pennsylvania. From 1847 to 1849/1850 he lived in Cincinnati and in 1853 to 1854 and 1860 to 1864 he lived in New York City. In Feb 1852, he took a month long Mississippi River cruise to New Orleans, his only trip to the deep south. He never visited the Suwannee River.

How much money did Foster make from his songs? Complete records of Foster's income do not exist, but for the period between 1849 and 1860 (Stephen's most productive years) he made \$15,091.08, an average of \$1,371.92 cents a year. (According to the Consumer Price Index, less than \$25,000 a year in 1999 value).

The best resource for genealogical information on the Foster family is available in Evelyn Foster Morneweck's book; *The Chronicles of Stephen Foster's Family*.

She married MORMAN PATTERSON, son of H.M. PATTERSON and LEONA VAUGHN. He was born 02 Sep 1922 in Rockwall, TX.

Notes for FAYDEAN PARKHILL:

This girl accused Preacher Wright of being the father of her child in about 1943.

Her parents filed charges of rape against Preacher. He was arrested and spent one day and one night in the Archer City, TX jail. He was bonded out on the promise to appear. The bond was signed by two men who lived in Holiday, TX, one a doctor and the other the grocer.

Preacher and Ethelene Wright, hired an attorney to defend him and it was agreed that if Preacher would pay the parents money they would drop the charges. Preacher was working for an oil company as a pumper and every Christmas he received a one-month bonus. It was this bonus that was given to the girl's parents. The amount of this check is unknown but it was 1/12th of a years salary, represented a lot of money.

Fay Dean was taken to a home for unwed mothers in Fort Worth, TX where she delivered the child, a girl, which was adopted. The child was never to be heard from again.

Children of FAYDEAN PARKHILL and MORMAN PATTERSON are:

- i. BABY GIRL⁸ ADOPTED, b. Abt. 1943, Orphans Home, Ft Worth, TX.

Notes for BABY GIRL ADOPTED:

It is family legend that Forrest Preacher Wright got Fay Dean pregnant. Fay Dean, in an attempt to cover her activities, told her parents that Preacher had raped her.

The Archer County Sheriff arrested Preacher and he was charged with rape in Archer Co., TX. He spent the night in jail and the next day was bailed out. The charges were dropped when Preacher and Ethelene agreed to pay the parents. The payment represented the Christmas bonus due Preacher which equaled one month's pay.

Fay Dean was said to have gone to Ft Worth, TX where she had the baby girl and it was immediately put up for adoption, never to be heard from again (the baby that is).

He was born 17 Jan 1947 in Wichita Falls, TX.

Notes for JUDY LUJEAN WRIGHT:

Judy died at 3 P.M. on September 11, 1996 in her home in Wichita Falls, TX. She died as a result of ovarian cancer which was first discovered in August 1995 when she had surgery pursuant to the doctor finding large, hard growths during a pelvic exam. After the surgery, she underwent seven months of chemo. Every third Friday she would enter the hospital and be infused with "rat poison" (as she referred to it).

For the following week she would be very ill, during the second week she would begin

to feel human, and during the third week, she was able to go into her office and perform some work on a limited basis. Then it was back to the hospital on Friday for the entire thing to begin anew. Seven months of this torture.

At the conclusion of the chemo she was re-examined and the doctor decided that he needed to operate and have a "look" inside to see what was happening, as Judy was having terrible stomach pains and couldn't seem to pass any feces.

On May 24, 1996 she was operated on in the Wichita Falls General Hospital. After the operation the surgeon came into the waiting room and announced to the family that the cancer had spread and there were several organs involved. His parting comment was, "take her home and give her some quality time."

She was discharged from the hospital about 10 days later and returned to her home on Sherman St. Her daughter, Marisa and her two children, Hayley and Megan moved in with Judy to care for her until her death.

On the day of her death, the hospice home health care worker had just completed giving Judy her daily bath and had moved Judy from the bed to a chair where the worker gave Judy a foot massage and rubbed oil into her legs.

Suddenly, Judy's legs began to spasm, she took three deep breaths, and died. In the room were, Marisa, Ethelene Fox (her mother) and the health care worker. When Judy began to be distressed, Ethelene (knowing what was happening no doubt) told Marisa that she would go into the other room to see that Megan didn't enter the living room to see Judy in this condition.

An hour later the prearranged funeral home arrived and removed the body. The body was taken to Lawton, OK where she was cremated. Her cremains were returned to Marisa one day later.

There was a memorial service conducted at the Hospice facility in Wichita Falls at 7:00 P.M. on Monday, September 16, 1996. Judy had ask that there be no flowers and any remembrance should be directed to the Wichita Falls Hospice people. (Marisa did provide a small vase of flowers to be displayed along side a blown-up picture of Judy and her two grandchildren, Hayley and Megan).

The cremains are in the custody of Marisa Ballard (Judy's daughter). Marisa said she had plans to bury the container in the flower garden at her home Malenkof, TX and if she should move she plans to dig them up and move them with her to her next home's flower garden.

Judy was 49 years of age on her death, much to young!
